Seattle City Tour

The Jade City Seattle is the largest city in the northwestern United States, the 15th largest metropolitan area in the United States, and is considered to be the fastest growing major city in the United States, located in Evergreen - Washington.

[Pioneer Square] Seattle's origin-one of America's largest historic buildings.

[Parker Market] Seattle's most important tourist attraction, with the world's largest coffee chain Starbucks first store, the world's most disgusting attractions - chewing gum wall, throwing fish show fish stalls and other famous attractions.

[Space Needle] Seattle landmark building, standing on top of the tower, not only can see the landscape of the entire Seattle city center, you can also see the Olympic Mountains, Cascade Mountains, Mount Rainier, Elliott Bay, nearby islands and so on.

[Chihuly Garden and Glass Museum] led the blown glass industry into the field of large-scale sculpture. The famous American glass artist, Chihuly, is famous for his unique style of work.

[EMP Experience Music Project Museum] is dedicated to the history of pop music, science fiction and popular culture and explores the museum.

[Kerry Park] a park on the south slope of Queen Anne Hill in Seattle, Washington, located at the corner of Second Avenue West and West Highland Drive. That view encompasses downtown Seattle, Elliott Bay, the West Seattle peninsula, Bainbridge Island, and Mount Rainier.

[The Museum of Flight] the largest collection of flight-related collections in the United States, with a collection of 145 aircraft, roughly divided into six exhibition areas, the number of aircraft collected here is amazing.
